THE LOST FOUND.—The shore end of the Atlantic Cable of 1865 was successfully laid at its Content, on Saturday evening, the 8th inst. The electrical condition of the old cable perfect, and there are, consequently, now lines connecting the old and new worlds.

HEAVY FREIGHTS.—The amount of freight being daily received at the Dutch Flat wharf, is unprecedented. We are puzzled to know where our merchants and traders find room to store it.

DUTCH FLAT ENQUIRER.

A COURSE OF LESSONS.—The elections for Supervisor throughout the interior at the election held on Wednesday, the 5th inst., resulted in Copperjohnson gains wherever there were any changes, so far as we have observed returns. In Yuba county the Union candidate was defeated in a district in which, according to the *Appeal*, there is a decided Union majority. That paper attributes the result to local causes and private feuds within the organization—mainly the latter. In Amador county the election of the Copperj, is accounted for by the readiness of foreigners who adopt that view of national policy to do any amount of swearing required by the Registry Law or "any other man." Of one hundred and two Italians who were enrolled and voted in that county, one hundred voted the C. J. and two the Union ticket. Out of that same force all but eight had, with equal facility, sworn each of military enrollment. Springer, of the Amador *Ledger*, waxed exceedingly wroth at the result in his county, and, while according due praise to the "principle" which dictated the passage of the Registry Law, indulges in inelegant profanity concerning its "practical workings" when applied to the compatriots of Garibaldi. In Siskiyou county the Union candidate for Supervisor is beaten about 80 votes. That county, however, has never really been reliably Union. In Calaveras the Copperjohnson succeeds by 3 majority. In this, like the Yuba case, a Union majority in the district is confidently claimed. The election of the square-toed candidate in the Grass Valley district of Nevada county was a foregone conclusion and surprised no body. While we are free to admit that the interior elections, taken as a whole, are, for the nonce, calculated to discourage, we are disposed to claim that a wise consideration of the lesson which they inculcate may lead to benefits far in excess of the direct injuries sustained. We have heard of no case where the late change has transferred the control of a county from Union to Copperjohnson. If the lesson contained in these reverses is carefully pondered and certainly profited by, its effects on the canvass of next year, when all of the important State and County offices are to be filled, will be highly beneficial. If, warned by these elections, we will thoroughly organize and by intimate and cordial association ally the "private bickerings" within the party, instead of deferring such organization and association until induced by the promptings of selfish aspirants, the lesson will be worth far more than it cost. It is but a few days since the Marysville *Appeal*, responded to our congratulations on the condition of the Union party of Placer county, by claiming that there was a less proportion of endorers and followers of Johnson among the original Unionists of Yuba county than we had claimed for Placer. What practical difference is there between openly acknowledging and avowing one's self a Johnsonite, and being induced by "private bickering" to vote for the Johnsonite candidate? Organize! Consolidate! Harmonize! These are the strings of our harp, and we will thrum away on them until our people comply or are surfeited with the sweet strain.

SUPERVISOR SCOTT.—In another column will be found the report of the Grand Jury which adjourned on Friday the 7th inst. The report contains but little besides an assault upon Mr. A. B. Scott, Chairman of the Board of Supervisors, for his conduct as a Supervisor in allowing his own accounts. The reflections on Mr. Scott are contained in a report of a sub-committee including Messrs. E. G. Smith and John R. Gwynn, of Auburn. Greater attention will naturally be attracted to this report from the fact that the former of these gentlemen did, at one time, fill the office of County Treasurer, and the latter that of Public Administrator of this county, and that it might be these infernal that they could more readily and familiarly institute and prosecute an examination of public archives than ordinary jurors, and would more fully realize the importance of particularly as to *them*, in keeping official accounts. This was doubtless the view taken by other members of the committee, and of the jury, including the worthy Foreman, who is a near neighbor of Mr. Scott, and would probably have otherwise given the matter closer scrutiny and insisted on full justice being done his neighbor notwithstanding any little pre-existing personal differences between them. Mr. Scott is an old and has ever been a highly respected citizen of Forest Hill. He filled the office of Justice of Peace at V. at place for several years, and has been twice elected Supervisor from his district. His thorough, in fact remarkable, business qualification, his careful attention to official duties, and his personal probity we have never heard doubted. We will, without fear of successful contradiction, venture the opinion that there are few, if any, persons more familiar with our statutes, and particularly with the duties and compensation of his office than he. If he has defrauded the county we are satisfied that he has done so with his eyes wide open and the report shows that he has placed the fraud on record for public inspection. The idea that A. B. Scott would descend to a contemptible swindle of \$391.25 is too preposterous for serious consideration. There is no room to doubt but he can and will give the facts and figures for every farthing which he has received and the page, section and paragraph by virtue of which he received it. We shall await his statement with full confidence in the result, and confidently assure the public that they can repose unflinching faith in his Supervisor.

FRUIT FIT FOR THE GODS.—Mr. Merwin took occasion, during the past week, to invade our sanctum armed and equipped with subjugating missiles in the shape of eight-inch nectaries of hesperian hue and flavor. In emptying the basket which contained this luscious contribution, our office force fell under the influence of the prevailing mania and there was great contention for the honorable position of bag-holder.

ROBBED ON THE ROAD.—One of the teams employed by Mr. Burckhalter, of this place, in delivering merchandise along the line of the railroad, was overhauled by road-agents at Zerk's Ranch, eight miles above here, on Thursday last, and relieved of about five hundred dollars worth of clothing, &c.

CALIFORNIANS should take the merits of DR. HOSTETTER'S STOMACH BITTERS. Yuba, is highly valuable as a beverage. It is unequalled as a tonic and invigorant. In the pursuit of fortune at the mines, many persons are exposed to the attacks of complaints of the digestive organs, and various kinds of fever. It is the very article that has so long been in demand in the mines. Its daily use will tone a deranged stomach, impart fresh vitality to the digestive functions, and cheer the spirits. Yet the Bitters is the safest of all stimulants. Let the miner who is exposed to hot and dry, wet and cold, be certain to obtain a supply of the genuine Hostetter Bitter, and he will find it a certain safeguard to health.

HOPE FOR THE AFFLICTED.—In another part of this paper will be found the advertisement of the celebrated Institute established in Monterey, Cal., in 1880. It is a place of delectable and cheerful life. It is a boon to the suffering to point out to them where they are sure of obtaining the wished for relief and cure. Under the care of the skillful Doctor and his assistants, the afflicted are cured of their various ailments, by the aid of their own strength, and secure health and happiness. If you are sick or in trouble, do not hesitate. Read the advertisement and follow the advice. Do not forget the number or the manner of directing your letters. Consultation Office, 560, Washington street, San Francisco. Dec-3m

AT LEAST two-thirds of the Diseases which the human family are afflicted, are brought on by the want of attention to the condition of the Blood. When the blood becomes impure, no matter what cause, the effects of such impurity are immediately felt, either in one way or another; and unless measures are at once taken to remove such impurities, the whole system becomes affected, and a host of diseases and sometimes death is the result. Dr. Samuel Adams, a well-known Chemist of San Francisco, has discovered certain herbs and roots, mostly of California growth, which he has combined with Sarsaparilla and Iodide of Potas, and succeeded in producing a Medicine, which is entirely harmless in every particular, will in short time completely eradicate from the Blood all impurities of whatever nature, and will restore the patient to perfect ROBERT HEALTH. The preparation is called "ADAMS' BLOOD PURIFIER," and is for sale at wholesale at the United States Drug Store, corner of Broadway and Third Street, San Francisco, and by Dr. D. W. Strong, Dutch Flat.

A NEW AND GRAND EPOCH IN MEDICINE.—Dr. Maggell is the founder of a new Medical System! The practitioners, whose vast internal diseases and the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two extraordinary Pills, and cures the most violent cases with a box or so of his wonderful and all-healing Salve. These two great specialties of the Doctor are far surpassing all the stereotyped nostrums of the day. Extraordinary cures by Maggell's Pills and Salve have opened the eyes of the public to the inefficiency of the (so called) remedies of others, and upon which people have so long blindly depended. Maggell's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggell's Pills suffice to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the Medicine very desirable for the wants of medical men. The chronic and eruptive diseases are literally extinguished by the beneficent power of Maggell's Salve. In fact, it is the most powerful of all medicines. In the treatment of the skin Maggell's Salve is infallible. Sold by J. Maggell, 11 Pine street, New York. R. H. McDonald & Co., San Francisco, and all Druggists, at 25 cts. per box. [47] 1m

MEDICAL ADVICE.—Dr. W. K. DOHERTY, Medical and Surgical Institute, is becoming a name quo non to the welfare of our State and health of our citizens; and his rapidly spreading reputation, although it may excite surprise, is but the signal of skill, and follows as the natural result of his long and successful career. He has treated gentlemen who have suffered for years under chronic disease, and who had taken advantage of every available means that promised relief, but without success, until they called upon Dr. Doherty, who, in an incredibly short space of time, has cured them. He is gratified in announcing this fact, because the Dr. is a gentleman who seeks, not by defamatory of others, to establish his reputation or ruin of another's fame. The Doctor conducts his own Institute in such a manner that he is gratified to see the patients who are cured, and he is not without charge, and the patient, after hearing his terms for treatment, can accept or reject at pleasure. In no case does the Doctor make a charge unless he effects a cure. This he is able to do, because he has the confidence of his patients, and he is able to do so without the consultation which appertains to that confidence. Persons afflicted with either acute or chronic disease, would do well to consult the Doctor; at all events, it can do no harm, as for consultation he asks no fee; nor does he incur any expense in his advice unless the patient persists in his under his care. His office is on Sacramento street, opposite the Pacific Mail Steamship office.—News

HOSTETTER'S STOMACH BITTERS! A PURE AND POWERFUL TONIC, CORRECTIVE AND ALTERNATIVE, — OF — Wonderful Efficacy in Diseases of the STOMACH, LIVER AND BOWELS.

Cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depressed Spirits, Constipation, Colic, Intermittent Fever, Cramps, Spasms, and all Complaints of either Sex, whether arising from Bodily Weakness, whether inherent in the system, or produced by special causes.

NOTHING THAT IS NOT WHOLESALE. The undersigned, in announcing to the public the merits of HOSTETTER'S STOMACH BITTERS, would say that he has no other object in view than to bring to the notice of the public a medicine which is so valuable, and so generally useful, that it is a combination of the extracts of balsamic herbs and plants, with the mildest and purest of all diffusive stimulants.

As a General Tonic, HOSTETTER'S BITTERS produces effects which must be experienced or witnessed before they can be appreciated. In case of Constitutional Weakness, Debility, Nervousness, and all other ailments arising from old age, it exercises an electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed it operates to reinforce and re-establish them.

The weak Stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it is a most valuable medicine for all who are afflicted with the various ailments of the Stomach, Liver and Bowels. Acting as a gentle and reliable purgative, it is well adapted to the treatment of Biliousness, and is especially recommended by the medical profession for the relief of the digestive system.

Persons of feeble habits, liable to Nervous Attacks, Losses of Spirits and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive and from both sexes.

The agency of BILLY'S COLIC is immediately sent by a single dose of the stimulant, and by occasionally using the Bitters, the system is invigorated and the ailments of the day.

Let, though not least, it is the ONLY SAFE STIMULANT, being manufactured from pure and natural elements, and entirely free from the acid elements present in most of the so-called "colic" remedies, and is so well adapted to the relief of the digestive system.

No family medicine has been so universally, and it may be truly said, so generally useful, as HOSTETTER'S BITTERS. Sold by all Druggists, Grocers and Storekeepers every where, and by
